OBJECTIVE

Full Stack .NET Developer with hands-on experience in ASP.NET Core, C#, Angular, and SQL Server. Skilled in building responsive UIs, REST APIs, and scalable backend systems. Seeking to join an innovative team where full-stack expertise and continuous learning are valued.

SKILLS

Languages: C, C#, ASP.NET Core, MVC, LINQ
Frontend: HTML5, CSS3, Bootstrap5, JavaScript, TypeScript, Angular
Backend/APIs: REST API, Web API, Entity Framework (Core), Dapper
Database: MS-SQL, SQL Server
Tools: Git, Visual Studio, VS Code, Postman, Swagger

EXPERIENCE

Full Stack .NET Developer – Electropneumatics, Pune   (May 2025 – Present)
Built full-stack apps with .NET Core, C#, Angular, SQL Server. Collaborated on requirements, wrote reusable code, followed Agile practices. Used Git for version control.

ASP.NET MVC Intern – Emerging Technology, Nashik   (Jan 2023 – Mar 2023)
Developed enterprise apps with C#, ASP.NET MVC, EF, Web API, and SQL Server. Implemented CRUD and optimized backend logic.

PROJECTS

Institute Management System – ASP.NET Core 8.0, EF Core, SQL Server
Developed REST APIs with Repository Pattern, CRUD, DI, migrations. Tested endpoints with Postman; integrated Angular frontend.

Hotel Management System – ASP.NET MVC, SQL Server
Built booking system with user authentication and role-based access.

EDUCATION

Naresh I Technologies (Hyderabad) – Full Stack .NET Core Developer   (2024 – 2025)

B.Tech IT, SPPU University – Sir Visvesvaraya Institute Of Technology, Nashik   (2020 – 2024)

Higher Secondary School (HSC) – G.M.D. Arts, B.W.Com. & Sci. College, Sinnar   (2019 – 2020)

Secondary School Certificate (SSC) – New English School, Vadangali   (2017 – 2018)

ACHIEVEMENTS

3rd Place – Project Expo Horizon 2024 (SVIT Nashik)
Corporate Mentorship Program – VIOSA & Pravara Rural Education Society
